- Get the prestigious MICA Certificate of Completion
- Optional AI Certification available

## Frequently Asked Questions

### Are there any LIVE sessions with the institute faculty in this course?

This course is designed to give flexible learning given time constraints of working professionals and contains high quality pre-recorded videos with the globally renowned faculty from MICA.

### What is the role of the Programme Leader? Are they institute faculty?

Programme leaders are Industry Practitioners/ Subject Matter Experts who help with doubt clearing, cover specific topics deeper and share real-world examples wherever needed. They are not faculty of the institute

### Who grades/ gives inputs on the assignments and projects?

The assignment grading frameworks are created in collaboration with the institute faculty, however the actual grading is done by the Programme Leaders

### Is there a qualifying mark/ grade to get the final certification in this course?

Yes, the qualifying mark is 70%.

### What if I miss the assignments for a particular week? Can I attempt them later?

An assignment that is not submitted by the due date is late. Late assignments will be accepted until one week after the programme end date, which is published on the programme homepage. If later than the one week grace period, and if the assignment is graded, there will be no marks awarded for the assignment, it will be marked 'nil'.

### Who is the faculty for the LIVE Webinar/ Online sessions/ Doubt Clearing sessions?

LIVE Webinars are done by subject matter experts, who have real world experience in the domain.

### Do I get Alumni status of the Institute on completion of this course

Yes, the candidate is eligible for an Executive Alumni Status.

### Will Emeritus/ Institute help with placement services?

This course is designed with some of the best faculty and to cover relevant topics in a manner that creates positive career outcomes. Over 87% Emeritus learners have witnessed career growth post completing their course. As an additional service, we provide resume writing guidance, navigating job search and interview prep along with this course. All this guidance is provided over recorded videos, this is not live. We do not offer placement services with our courses.

### What if I don't find the course appropriate for me after starting the sessions? Can I seek a refund?

Participants may request a refund before the cut-off date, which is 14 days prior to the start of the programme. Requests made before this date will be refunded after deducting a ₹5,000 processing fee (taxes are non-refundable). Requests made after the cut-off date (i.e., within 14 days before the programme begins) but before the start of the programme may be granted, subject to a 40% penalty on academic fees. No refunds will be processed once the programme has started. In case the programme is cancelled, a full refund including taxes will be issued. Approved refunds will be processed within 14 business days.

Note: This Course Summary is provided only for your convenience. You are advised to refer to the Course Brochure for more information.

# PROGRAMME OVERVIEW

Step into the world of brand excellence with Mudra Institute of Communications Ahmedabad (MICA)'s Certificate Programme in Strategic Brand Management and Communication, where you will learn how to build brands, launch mission-critical products and services, and acquire new customers. Taught with the right creative approach and strategic perspective, this programme introduces the essential frameworks for marketing, branding, and communication strategy that remain effective both in times of stability and crisis. You will learn how to formulate and implement successful brand strategies, think critically, and recalibrate the ways in which we persuade and connect with customers.

To further strengthen your capabilities in an AI-driven marketing landscape, the programme also offers an optional AI Add-On in Brand Management & Communication, enabling participants to explore how generative and agentic AI can support brand strategy, consumer insight generation, and communication planning.

Whether you're a brand marketer, relationship manager, business leader, or entrepreneur, join this programme to enhance your marketing and communication models and drive meaningful brand-building outcomes.

# LEARNER TESTIMONIAL

## Dipti Parmar

CEO, Heerglobal Agritech Collaborations Pvt Ltd.  
Director, Heerglobal Foundation  
Director, Zto1 Foundation

Completing the programme with Emeritus has been a truly transformative experience. The curriculum was thoughtfully designed, the faculty deeply insightful, and the global peer network added immense value. Each session challenged my thinking and broadened my perspective - both professionally and personally. This journey has strengthened my confidence and equipped me with practical tools to take on new challenges. I'm grateful to the Emeritus team for their constant support and for fostering such a dynamic learning environment. Proud to be part of this vibrant community of lifelong learners!

## Ankit Bawa

Creative Team Lead  
Unstop

Last 1 year has been an enriching journey filled with highs, lows, and invaluable lessons. Embarking on the Advanced Certificate Program in Strategic Brand Management and Communications at MICA | The School of Ideas and Emeritus felt like entering a realm of brand storytelling. Having delved deep into visual brand storytelling and execution for 7 years, I aimed to complement my hands-on experience with well-curated theoretical insights from MICA's top-notch faculty and industry experts. From weekly mandatory assignments to immersive Sunday-to-Sunday brand classes and engaging conversations with fellow batchmates, it was nothing less than crafting a personal brand.

“ The sessions by the leading professionals were enriching and captivating. The weekly office hours proved to be extremely beneficial. The course was not overly hectic, allowing participants to learn at their own pace. Additionally, the feedback on assignments was very helpful. ”

- **Vanasri Sridhar**  
Senior Social Media Executive  
Chimpzlab - Digital Marketing Agency

“ I really enjoyed the branding segment of the program. The faculty & were very engaging and provided valuable information. Additionally, Prof. Anita's live session was full of insights and extremely engaging. ”

- **Aakanksha Shirbhate**  
Marketing Manager  
Anand Sweets & Savouries

# AI IN BRAND MANAGEMENT & COMMUNICATIONS

## Introduction

As AI continues to transform how brands are built, managed, and communicated, the Certificate Programme in Strategic Brand Management & Communications by MICA now offers an AI Add-On in Brand Management & Communication. This optional certification equips participants with practical insights into how Generative and Agentic AI can support brand strategy, consumer understanding, storytelling, and communication orchestration. Designed as a focused 8-week learning experience, the add-on helps brand professionals integrate AI into decision-making while maintaining strategic thinking and responsible brand stewardship.

## About the Optional AI Certification

**Programme Name:** AI in Brand Management & Communications

**Duration:** 8 Weeks

**Weekly Effort:** 4–5 hours per week

**Delivery:** Conducted at the end of the 28-week programme

**Fee:** INR 1,10,000 + GST/ AED 4,898

# HIGHLIGHTS OF AI IN BRAND MANAGEMENT AND COMMUNICATIONS

8 pre-recorded faculty lectures delivered over structured weekly modules

8 office hour sessions with SME/industry experts for concept clarification

Exposure to AI tools and frameworks used in brand strategy and communication

Mini projects and graded assignments for applied learning

Quizzes and discussion boards to reinforce learning and peer interaction

Designed as a concise 8-week learning experience alongside the core programme

## Notes:

--Modules/ topics are indicative only, and the suggested time and sequence may be dropped/ modified/ adapted to fit the total programme hours.

# LEARNING OUTCOMES

---

After completing the add-on, participants will be able to:

Use Generative and Agentic AI to structure and stress-test brand strategy decisions

Analyse consumer signals and cultural insights using AI-driven synthesis

Evaluate brand architecture, portfolio choices, and innovation opportunities through AI-led scenario exploration

Interpret brand performance trends and potential risks using AI-supported foresight and predictive thinking

Design consistent brand narratives and voice frameworks using generative AI responsibly

Build scalable content systems that maintain brand consistency and quality

Coordinate brand messaging across channels using AI-enabled orchestration

Anticipate brand risks, ethical challenges, and crisis situations in an AI-enabled communication environment

# PROGRAMME DIRECTOR

---

## **Prof. Anita Basalingappa**

---

Professor, Strategic Marketing  
Academic Head - Executive Education

Anita Basalingappa, PhD is a Professor of Marketing and Chairperson, Online Programmes at MICA. She has been working with MICA since 2004. She was a DC Pavate fellow at Judge Business School and Sidney Sussex College, University of Cambridge, the UK, in 2008.

She has been teaching MARKSTRAT, Blue Ocean Strategy, Services Marketing, Managing Brands, Regional branding, and Metrics across residential programmes and online programmes via ed tech partners at MICA and other Institutes of repute in India. Her teaching pedagogy includes simulation, cases, and In-class activities. She teaches Marketing Theory to doctoral students. Her current research areas include marketing theory, sustainability & street markets, regional brands & rural markets, and social media behaviour of brands & users.

She has held various administrative responsibilities in MICA. She has chaired the Marketing Area, Admissions Committee, Research Committee, and FPM Committee in the past. Currently she chairs the Online Programmes at MICA. She is an invited member of advisory/ board/ expert committees of Organisations/ Universities in India.

# AI TOOLS COVERED

---

AI in Brand Management and Communication introduces participants to a range of leading tools and platforms used for strategic thinking, consumer insight generation, brand storytelling, and campaign orchestration. Through guided exploration, participants will learn how to use these tools to structure brand decisions, analyse signals, develop narratives, and design scalable content systems while maintaining strategic oversight.

## Tools covered:

ChatGPT / Claude / Gemini for strategic reasoning, insight synthesis, storytelling, and scenario analysis

Perplexity and Google Trends for signal detection, research, and directional validation

Notion AI and Custom GPTs / AI Agents (conceptual exposure) for portfolio thinking and brand architecture exploration

Jasper, Midjourney, and DALL-E (conceptual exposure) for scalable content and visual direction

Conceptual exposure to HubSpot AI and Salesforce Einstein for campaign orchestration and omnichannel communication

# AI CERTIFICATION

Participants who successfully complete the AI certification programme will receive a certificate from MICA. This certification recognises the ability to apply Generative and Agentic AI in brand strategy, consumer insight generation, and communication planning within modern marketing environments.

*Note: All certificate images are for illustrative purposes only and may be subject to change at the discretion of MICA. On successful completion the candidate will be awarded an E-certificate by MICA.*

# LEARNING JOURNEY

## Orientation Week

The first week is orientation week. During this week you will be introduced to the other participants taking part in the programme. You will learn how to use the learning management system and other learning tools provided.

## Weekly Goals

As you begin the programme, meet your learning goals set for the week. The goals would include completing the assignments, which have weekly deadlines.

## Self Paced, Flexible Online Learning

Learn online via pre-recorded videos from renowned MICA faculty in a high-impact three-month journey with a learning commitment of 4-6 hours/ week. Faculty will not be a part of weekly live sessions or any other live interaction in this programme.

## Debrief Sessions

The Emeritus Programme Leaders will be available for live online sessions every week or every alternate week to help you clarify your doubts pertaining to the programme content.

## Timely Follow up & Learning Support

The Emeritus Programme Support team will follow up over emails and phone calls with learners who are unable to submit their assignments on time.

# ABOUT MICA

---

Established in 1991, MICA is dedicated to creating leadership in Strategic Marketing and Communication. MICA, an autonomous, non-profit institution, offers a wide range of academic programmes including residential and online programmes.

MICA's spirit lies in its grasping of contemporary trends and sensibilities, addressing the needs of an ever-changing environment. The MICA brand assures effective delivery of Strategic Marketing and Communication solutions to the industry, government, and community.

Today, it is the alma mater of professionals serving in leadership positions in some of the best-known companies in India and the world in marketing, brand management, research & analytics, advertising, media, digital, and other related businesses.

# ABOUT EMERITUS

---

MICA is collaborating with online education provider Emeritus to offer a portfolio of high-impact online programmes. Working with Emeritus gives MICA the advantage of broadening its access beyond their on-campus offerings in a collaborative and engaging format that stays true to the quality of MICA. Emeritus' approach to learning MICA cohort-based design to maximise peer-to-peer sharing and includes video lectures with world-class faculty and hands-on project-based learning. More than 250,000 students from over 160 countries have benefitted professionally from Emeritus' courses.
